### RECYCLING YOUR COFFEE CAPSULES

#### GUIDE

# 1

Let your pod cool

After you've finished brewing, allow the pod to cool completely before you touch it

# 2

Peel your pod

Take the pod out and remove the foil lid. This lid can be thrown into your aluminum recyclable bin without any extra steps

# 3

Empty your pod

Get all of the used coffee grounds out of the pod

# 4

Recycle your pod

Throw the pod into your recyclable plastic bin

# 5

REMEMBER

No matter which coffee pods you use, you must always abide by your local recycling and composting guidelines.
